

I-94/I-69 Reconstruction in St. Clair County

Eastbound I-94/I-69 ramp to Water Street detour

September - Early November 2011

What Is Being Done?

The Michigan Department of Transportation (MDOT) is investing approximately \$90 million in St. Clair County to widen and reconstruct 2 miles of eastbound and westbound I-94/I-69 between Lapeer Road and Pine Grove Avenue in Port Huron. Work includes replacing the I-94 bridge over the Black River; new interchanges and replacing the I-94 overpasses at the Lapeer Road connector and Water Street. The closure of the eastbound I-94/I-69 ramp to Water Street is necessary for pavement reconstruction.
